Index to
AMERICAN JOURNAL OF NURSING

VOLUME 85, NUMBERS 1-12 JANUARY-DECEMBER 1985

This index is arranged in two sections, the Subject Section and the Name Section. **Articles** are entered under the name of the author and joint authors in the Name Section and under one or more subjects in the Subject Section.

New items are under the names of the organizations or groups mentioned in the Subject Section as well as the subjects to which the items pertain. **Honors** bestowed upon nurses are under the subject AWARDS AND PRIZES; **colleges and universities** are under the specific name of the institution. All appointments are under subject Appointments or People (Department); however, appointments to state, national, international, and federal agencies may also be under specific name of agency involved and under personal name in the Name Section. **Educational programs,** the opening or closing of schools, and special courses given for credit are found under subject Education Programs.

NOTE: In addition to subject headings used in **Medical Subject Headings (MeSH),** published by the National Library of Medicine, pertinent nursing headings and updated headings in other health disciplines are used to make this index more useful and relevant.

The paging is continuous within the yearly volume. The numbers following each entry indicate the volume and page for 1985; i.e., 85-:93 means vol. 85 page 93. Following are the page numbers for each month:

January pp. 1-114	May pp. 511-628	September pp. 937-1040
February pp. 115-220	June pp. 629-760	October pp. 1041-1212
